

# HOSPITALITY ASSISTANCE RESPONSE OF PENNSYLVANIA

HELPING FRONTLINE HOSPITALITY EMPLOYEES IN PENNSYLVANIA

## 2020 Impact Review

The Hospitality Assistance Response of Pennsylvania (HARP) is a 501(c)(3) that provides immediate emergency funding to frontline hospitality workers who have been impacted by the coronavirus pandemic.

HARP launched in April 2020 with seed grants from founding sponsors Tito's Handcrafted Vodka/Love Tito's and Yuengling, and is funded by private, community, and individual donations. The fund distributes one-time, individual grants of \$250 to our frontline industry employees during times of unforeseen hardship. Grants are awarded on a first-come, first-served basis and subject to the availability of funds at the time.

Industry employees continue to experience significant hardships due to the ongoing restrictions placed on the hospitality industry. HARP's purpose is to provide swift financial assistance to the bartenders, bar backs, line cooks, runners, servers, bussers, front-desk, housekeepers, and other frontline employees of Pennsylvania hospitality businesses.
